BRCS Parent Responsibility/Contract

1. Parents should encourage their children to give 100% of themselves to represent Christ.
2. Parents should support their children by attending as many games or matches as possible.
3. Parents should always conduct themselves in a Christ like manner during athletic events. Parents should realize that they are as responsible for representing BRCS as are the coaches and players.
4. Parents are asked to schedule routine doctor, dental, and other appointments so as not to conflict with practices and games. Illness and death in the immediate family are excused absences. All other absences need approval and must be requested prior to the missed practice.
5. It is imperative that your son or daughter be picked up and dropped off for practices and games on time.

6. Parents should direct any questions regarding their student athlete or manner of coaching to the coach directly in a mature and responsible manner in private and if needed by prior arrangements or appointments. Coaches should respond in a like manner. Please address concerns to coaches outside of practice, and particularly not before practice.

7. Each student must have a physical on file prior to the start of their sport season.

8. Parents/Athletes understand that the amount of playing time an athlete receives on any level team at Blue Ridge Christian School is a privilege, not a right. Seniority of an athlete is not a factor in determining if a player will start or how much they will play. Players will be judged by their coaches on their athletic ability, work ethic, attitude, and knowledge of the coach's strategy/strategies when determining playing time.

9. Parents are welcomed to watch practices but should refrain from talking to or instructing their student during practices and/or games.
