How do I register?

Follow this link! <https://form.jotform.com/BRCS/summer-camp-registration-2021>

If you have trouble with the link, please contact the Lower School office at 540-828-2233.

Do I have to be a BRCS student to register?

No! We love to have students from other schools join us for the summer! We can't wait to meet you!

What are the age requirements?

Age requirements can be found in the registration form or in the summer camp program found on the website. We have camps for ages ranging from rising kindergarten and rising 8th grade.

What if a camp gets cancelled after I pay, or if I have to cancel my registration for a camp?

We provide full refunds to any campers that have to cancel their registration with us. If we cancel a camp that you have already paid for, you will receive a full refund.

What are your COVID policies?

Our primary goal is to provide a safe and fun summer camp experience for our students, directors, school, and community. In response to state directives in light of the pandemic, summer camps will follow all BRCS mitigation guidelines. These guidelines can be found on our website at brcschool.org.

How does lunch work if my student stays for camps all day?

Campers should bring a packed lunch if they stay for camps all day.

Can I bring a snack?

Yes. Most of our camps will provide a snack time for campers to eat their snack. If your camp provides a snack for your camper that information will be in the camper guide sent out after registration is complete.

What's the summer camp dress code?

All campers must be appropriately and modestly dressed for camps or while on campus in any setting. Modestly dressed indicates:

- Shirts are worn at all times
- Tank-tops are not allowed
- Leggings cannot be worn unless shorts are worn over top of them
- All shorts must be at least 3-4 inches below the inseam.

How do I find out where my camp is going to be held?

This information will be in the camper guide that goes out after registration is complete. Camps will be held either at the Upper Campus in Dayton, or the Lower Campus in Bridgewater.

Is there child care if I have to drop off my camper early, or pick him/her up late?

We will not be providing before or after camp care this year. Drop off will take place during the 15 minutes before camp is scheduled to start, and pick up will take place during the 15 minutes after camp is scheduled to end.

Outdoor camps: What happens in case of rain?

Camp will still take place in case of rain. We will either move inside to a classroom or the gym to do indoor activities.

How does pick-up and drop-off work?

Pick up and drop off will take place at the location of the camp. Parents should walk their child to the registration table on the first day of camp to check in with the camp counselor and ask any questions. After that campers may just be dropped off and the parent may leave once the camper gets to their camp location (inside or outside). At pick-up parents may just pull into the parking lot and wait for their camper. Camps will wait outside with the camp counselor during pick-up.

Are there limits/caps/waitlists for your camps?

Yes. These can be found in the summer camp program on our website. If our registrations exceed the cap then campers will be placed on a waitlist and contacted if a spot opens up at a later date.

Can I leave medication for my camper at school?

Yes. Medication can be turned into the office and kept at school during camp hours. There are forms to be filled out, so please contact the Lower School office if you need to send medication to school.

What does my camper need to bring?

After registering you will receive a camper guide that has detailed instructions about what to bring and what not to bring to camp.

What if my camper has a camp at the Upper School in the morning and then a camp at the Lower School in the afternoon?

We will provide transportation to their next camp during the lunch hour!

Where can I find pictures of my camper?

A link will be sent out to a flickr album of summer camp photos that you can access throughout the week. Photos will also be posted on social media throughout the summer. If you do not wish for photos to be taken or posted of your camper this can be indicated on the registration form.
